 - Good Afternoon District 7: There is much to get done today and I will apologize up-front that we may be here a bit longer than an hour today due to our need to review General Service Conference Agenda items. While many of you may wonder what this is all about and why do we have to do this, let me read why we do this. Read “Why Do We Need A Conference”

I have asked the Committee Members to present their portion of the Agenda Items and summarize what will be discussed. I asked that each of you take these Agenda Items back to your groups and present this information to form a group conscience. Please make sure this information is passed onto me by our April 9th District 7 meeting. I will then pass this information onto our Area Delegate so that District 7's voice can be carried to the General Service Conference.

I attended the WCRAASC weekend last weekend and can say I am forever transformed about service work in AA.... In a very passionate way. Area 24 – District 7 was passed the torte to host the 2018 WCRAASC. I have received the necessary information to get business being about AA business. Over the next year we will be calling upon many of you or your groups to be an active participant of the preparing of this event. This is an honor to host WCRAASC in 2018 and I hope you find the experience to be life changing as I have.

In Love and Service,
